

Industrial Fastener Supplier Gauteng

Since 2006, Bambalela has developed a network of reputable suppliers in order to source the most appropriate fastener solutions to meet our customer's requirements.

We recognize the impact of breakdowns and our customer's urgency to restore production. In response to this need, we ensure that most standard and commonly used items are available ex stock and ready for prompt delivery.

Based on the East Rand, we have a fleet of vehicles making daily trips throughout Gauteng and Tshwane. We also have customers that we service throughout other regions within South Africa and beyond our borders
